

Our Mission: To Serve

DigiCOPY was founded in July of 2000 by President & CEO, Craig Shuler. Our company is based on the principal of valued relationships within and outside of the workplace. Our continued growth and success can be attributed to the people and communities we have become a part of.

Our Philosophy

Customers

We strive to build long-term relationships with each of our customers. Together we will provide the highest quality document solutions, employing digital technology and the dedicated, solution oriented attitudes of our coworkers.

Co-Workers

Each of our co-workers is a valuable member of the DigiCopy family. We appreciate their opinions, and recognize their hard work. We value independent thinking and teamwork; and foster a flexible environment where creativity is rewarded.

Community

We acknowledge the invaluable relationships we form with our communities, customers, co-workers, and suppliers. We will play a vital role within each community we serve, providing career opportunities and services unique to our company.
